Sub: SSITS – Constitution of Industry & Institution Interaction Committee – Nomination of the Members – Reg.

With reference to the subject cited above, the following staff members are hereby nominated for the **Industry & Institution Interaction Committee for the academic year 2025–2026.**

S.No	Name of Faculty	Designation	Department	Signature
1	Dr. V. Balaji	Principal & Chairman	MECH	
2	Dr. K. Inthiyaz	TPO & Vice-Chairman	MBA	
3	Mr. E. Radha Krishna	Convener	CSE	
4	Mr. P. Subhan Basha	HOD & Secretary	CSE	
5	Dr. N. Nagendra	HOD & Member	H&BS	
6	Mr. P. Sarvan Kumar	HOD & Member	MECH	
7	Mr. A. Karunakar	HOD & Member	ECE	
8	Mr. V. Pratapa Rao	HOD & Member	EEE	
9	Mr. K. Chandra Sekhar	Exam Branch I/C & Member	ECE	
10	Mr. Y. Naga Mohan Chand	A.O. & Member	OFFICE

Sri Sai Institute of Technology and Science

Subject: Conduct of One Week Workshop on “RoboGenesis” in association with ReshApp

Respected Sir,

The **Industry–Institute Interaction Cell (IIIC)** in association with the **Training & Placement Cell** proposes to conduct a **One Week Workshop on “RoboGenesis”** in collaboration with **ReshApp** for the benefit of students of our institution. The workshop is scheduled to be conducted from **02 March 2026 to 07 March 2026** at **Sri Sai Institute of Technology and Science**.

The objective of this workshop is to provide students with practical exposure in the areas of **Robotics, Automation, Embedded Systems, and Industry-Oriented Skills**, and to strengthen the interaction between **Industry and Institute**. The sessions will be handled by technical experts from **ReshApp**, who will provide both theoretical and hands-on training to the students.

We request your kind permission to organize this workshop under the guidance of **Principal Dr. V. Balaji, Vice Principal Dr. V. Venkata Ramana**, with the support of all **Heads of the Departments**.

The program will be coordinated by **IIIC Convener – Mr. E. RadhaKrishnain** association with **Training & Placement Officer – Dr. K. Inthiyaz**.

We kindly request you to grant permission to conduct the above said workshop and issue necessary instructions to the departments to ensure successful organization of the program.

Thanking you.

Report on One Week Workshop on “RoboGenesis”

Industry–Institute Interaction Cell (IIC) Activity Report

The Industry–Institute Interaction Cell (IIC) of Sri Sai Institute of Technology and Science organized a **One Week Workshop on “RoboGenesis”** in association with **ReshApp** and **Training & Placement Cell** from **02 March 2026 to 07 March 2026** at the college campus.

The workshop was conducted under the guidance of **Principal Dr. V. Balaji** and **Vice Principal Dr. V. Venkata Ramana**, with the support of all **Heads of the Departments**. The program was coordinated by **IIC Convener Mr. E. RadhaKrishna** in association with **Training & Placement Officer Dr. K. Inthiyaz**.

The main objective of the workshop was to provide students with practical knowledge in **Robotics, Automation, Embedded Systems, and Artificial Intelligence based applications**, and to strengthen the interaction between **Industry and Institute** by involving industry experts from **ReshApp**.

During the one-week workshop, the resource persons from **ReshApp** trained the students on the fundamentals of robotics, and real-time project development. Students were given hands-on training sessions where they designed and developed basic robotic models and understood the working principles of automation systems.

The workshop also included sessions on **industry requirements, career opportunities in robotics, and skill development**, which helped students understand the importance of practical knowledge along with academic learning. The interactive sessions motivated students to participate actively and enhance their technical skills.

On the inaugural day, **Principal Dr. V. Balaji** addressed the students and emphasized the importance of industry-oriented training programs. **Vice Principal Dr. V. Venkata Ramana** encouraged students to utilize such workshops to improve their practical knowledge. All **HODs** appreciated the initiative taken by **IIC and Training & Placement Cell** for organizing the workshop.

The program concluded successfully with positive feedback from the students. The **IIC Convener Mr. E. RadhaKrishna** thanked the management, Principal, Vice Principal, ReshApp team, TPO, faculty members, and students for their cooperation in making the workshop a grand success.

All the Heads of Departments, Faculty Members and Students are hereby informed that a One Day Workshop on “Navigating the Startup & IPR Ecosystem” is being organized at Sri Sai Institute of Technology and Science, Rayachoty under the guidance of the Principal.

The program is being conducted in association with the Industry–Institute Interaction Cell (IIIC) and IPR Cell with the objective of creating awareness among students and faculty about Startups, Innovation, Intellectual Property Rights (IPR), and Entrepreneurship Opportunities.

The workshop will be conducted in the presence of

Principal: Dr. V. Balaji

Vice Principal: Dr. V. Venkata Ramana

HODs of all Departments

IIIC Convener: Mr. E. RadhaKrishna

IPR Cell Coordinator: Ms. C. Rajeswari

The session will be delivered by

Resource Person: Mr. M. Sudheer,
CEO, VolksPhantom IP Solutions Pvt. Ltd.

All the students and faculty members are instructed to attend the program without fail and make the event successful.

Venue: Sri Sai Institute of Technology and Science

Date: 19/09/2025

Industry–Institute Interaction Cell (IIC) & IPR Cell Activity Report

Event: Workshop on Navigating the Startup & IPR Ecosystem

Date: 19/09/2025

Venue: Placement Seminar Hall

A One Day Workshop on “Navigating the Startup & IPR Ecosystem” was organized at Sri Sai Institute of Technology and Science, Rayachoty under the guidance of the Principal Dr. V. Balaji. The program was conducted in the presence of Vice Principal Dr. V. Venkata Ramana, Heads of various Departments, faculty members and students.

The workshop was organized by the Industry–Institute Interaction Cell (IIC) in association with the IPR Cell. The program was coordinated by IIC Convener Mr. E. RadhaKrishna and IPR Cell Coordinator Ms. C. Rajeswari.

The resource person for the workshop was Mr. M. Sudheer, CEO, VolksPhantom IP Solutions Pvt. Ltd. He delivered an informative session on the importance of Startups, Innovation, Entrepreneurship, Intellectual Property Rights (IPR), Patent filing, Copyrights, and the Startup ecosystem in India. He explained the procedures for protecting innovative ideas and encouraged students to focus on research, innovation, and entrepreneurship.

The Principal appreciated the initiative taken by the IIC and IPR Cell for organizing the workshop and motivated the students to utilize such programs for their career development. The Vice Principal also addressed the gathering and emphasized the importance of intellectual property awareness among engineering students.

The session was highly interactive and beneficial. Students actively participated and clarified their doubts regarding startup registration, patents, and innovation support systems available in India.

The program concluded with a vote of thanks by the IPR Cell Coordinator Ms. C. Rajeswari.

The Industry–Institute Interaction Cell (IIC) is organizing a Seminar on Awareness Program on Quantum Technology in Online Mode on 20-09-2025 at Sri Sai Institute of Technology and Science, Rayachoti.

The program will be conducted under the guidance of Principal Dr. V. Balaji, Vice Principal Dr. V. Venkata Ramana, and all Heads of the Departments.

The event is coordinated by IIC Convener Mr. E. RadhaKrishna.

Mr. Venkata Swami Tadikonda will act as the Resource Person for this seminar and will deliver an expert talk on the importance, applications, and future scope of Quantum Technology.

All the students and faculty members are hereby informed to attend the program through Online Mode without fail and make the session successful.

REPORT

Industry–Institute Interaction Cell (IIIC)

Event: Seminar on Awareness Program on Quantum Technology

Date: 20-09-2025

Mode: Online

The Industry–Institute Interaction Cell (IIIC) of Sri Sai Institute of Technology and Science, Rayachoti organized a Seminar on Awareness Program on Quantum Technology on 20-09-2025 in Online Mode for students and faculty members.

The program was conducted under the guidance of Principal Dr. V. Balaji, Vice Principal Dr. V. Venkata Ramana, and all Heads of the Departments. The event was coordinated by IIIC Convener Mr. E. RadhaKrishna.

The Resource Person, Mr. Venkata Swami Tadikonda, delivered an informative and insightful lecture on Quantum Technology, explaining the basic concepts, recent developments, and real-world applications in computing, communication, cryptography, and future technologies. He also highlighted the importance of quantum technology in modern engineering and research fields.

During the session, students actively participated and interacted with the resource person by asking questions related to quantum computing, quantum communication, and future career opportunities in quantum technologies. The seminar helped the participants to gain awareness about the emerging trends and scope of quantum technology.

The program was successfully conducted with the support of Principal, Vice Principal, HODs, faculty members, and students. The management appreciated the efforts of the Industry–Institute Interaction Cell (IIIC) for organizing such an informative awareness program.

Outcome of the Program:

- Students gained awareness about Quantum Technology
- Understanding of future scope in research and industry
- Motivation to learn emerging technologies
- Interaction with industry expert

The session concluded with a vote of thanks expressing gratitude to the Principal, Vice Principal, Resource Person, IIIC Convener, HODs, faculty members, and students for their support in making the program successful.
